RECOMMENDATION LETTER FOR PEER TUTORING

To Whom It May Concern:

I am writing this letter in support of Ms. Isabella Torres (Student ID: 202204022) who is applying for the Peer Tutoring Program. Ms. Torres was my student in Web Development (IT-WEBDEV21) and completed the subject with a grade of 1.5 (Very Good).

She has a solid understanding of frontend development concepts including HTML, CSS, JavaScript, and responsive design principles. She participates actively in class discussions and is generally cooperative during group laboratory activities.

I have observed Ms. Torres assisting her groupmates during laboratory sessions and she communicates clearly. While she is not the top-performing student in the class, she is consistent, dependable, and genuinely interested in helping her peers.

I believe Ms. Torres has the capability to serve as a peer tutor for Web Development. I support her application.

Respectfully,

Prof. Cecilia Torres, MSCS
