RECOMMENDATION LETTER FOR PEER TUTORING

To the Peer Tutoring Coordinator:

I am writing regarding the application of Mr. David Ramos (Student ID: 202205044) for the Peer Tutoring Program. Mr. Ramos was my student in Networking (IT-NETWRK21) and passed the subject with a grade of 2.0 (Good).

He demonstrates a reasonable understanding of network protocols and basic LAN configuration. While he is not among the highest performers in class, he is consistent and hardworking. I have seen him assist classmates when asked and he appears to enjoy explaining things to others.

I recommend Mr. David Ramos for the program with the expectation that he will perform his duties responsibly.

Respectfully,

Prof. Lourdes Villanueva, MSCS
