RECOMMENDATION LETTER FOR PEER TUTORING

To Whom It May Concern:

I am writing this letter to recommend Ms. Sheila Mae Dizon (Student ID: 202202019) for the Peer Tutoring Program. She was my student in Information Security (IT-INF0SEC32) and Networking (IT-NETWRK21), where she performed exceptionally well in both subjects.

Her knowledge of cybersecurity principles, risk assessment, and network administration is outstanding. She has helped her classmates understand complex topics and shows great patience and communication skills in doing so.

I strongly recommend Ms. Sheila Mae Dizon for the Peer Tutoring Program without reservation.

Respectfully,

Dr. Ricardo Aquino
